ABANDONED UNINTENTIONALLY UNDER 37 CFR 1.137(b)**

Assistant Commissioner for Patents  
Mail Stop Petition  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicant hereby petitions the U.S. Commissioner of Patents and Trademarks to revive the subject patent application based upon Unintentional Abandonment.

This application became abandoned on October 31, 2003 after a failure to respond to the final rejection mailed July 31, 2003. Applicant filed a continuing application, Ser. No. 10/746,352 on December 23, 2003 that claims priority from the present application. When the continuing application was filed, applicant inadvertently neglected to pay extension fees to keep the parent application active. This petition is filed to establish co-pendency with the continuing application.

The Commissioner is authorized to charge the Petition to Revive fee and any other fees which may be due to our Deposit Account 07-1445 (Order No. IMET0050). A copy of this sheet is enclosed herewith for such purpose.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that

these statements made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

Respectfully submitted,

Michael A. Glenn
